

SFU researchers interested in applying for the 2025 CFI Innovation Fund (IF) competition, **with SFU as the lead or as a partnering institution**, must first submit an Internal Expression of Interest (iEOI) to SFU’s Institutional Strategic Awards (ISA) Office. This iEOI will be used to help identify projects with similar and/or competing interests, and to better determine the amount of support needed. It **will not** be used to determine who will or will not be moving forward in the competition. Please complete the form below and submit to ISA’s CFI team at cfi@sfu.ca by December 1, 2023.

1. Current working title of project:

2. Please list the known research team members in the table below (max of 10).

CORE RESEARCH TEAM (up to 10)					
	Name (family, given)	Area(s) of Expertise	Dept/School Faculty	Institution	Email
Team Leader					
Team Leader*					
Additional Team Members					

*CFI allows the option for two Team Leaders. List at least a total of 3 researchers, maximum of 10 (changes to the team can be made during the internal selection process).

3. Brief description of research project and outcome (max 1500 characters):

4. Brief description of major infrastructure expected at SFU (max 1500 characters):

5. Estimated total project cost:

Estimated request from SFU’s CFI envelope (40% of SFU infrastructure request):

6. Expected location/s of infrastructure (building, institution):

7. Is advanced research computing (ARC) infrastructure required?

Yes: No: Maybe:

If yes or maybe, please describe:

8. Are renovations/construction necessary at SFU to house the infrastructure?

Yes: No: Maybe:

If yes or maybe, please describe:

9. Please provide suggestions for 3 to 5 SFU researchers that may be contacted to review of your internal LOI for aspects of innovation, feasibility, and international competitiveness.

Name	Area(s) of Expertise	Dept/School Faculty
